

What is the Louisiana Main Street Recovery Grant Program?

The Louisiana Main Street Recovery Grant Program is a new state law designed to reimburse eligible small businesses for up to \$15,000 in expenses incurred due to COVID-19. Administered by the Louisiana Department of Treasury, the program aims to help small businesses recover from the economic impact of the pandemic.

What types of expense can be reimbursed?

Costs incurred to meet public health requirements include:

- Signage to create social distancing measures
- Cleaning or disinfecting areas due to COVID-19
- Personal protective supplies for employees or customers
- Equipment necessary for public health or to respond to changes in business environment, including but not limited to:
 - Equipment to screen employees or customers to ensure they are not positive for COVID-19
 - Equipment to track employees or customers who have tested positive for COVID-19
 - Technology expenses to facilitate teleworking
- Rent for additional facilities or storage to allow for social distancing
- Facility renovation costs to promote social distancing (partitions, shields, etc.)
- Temporary structures to promote social distancing

Business interruption costs:

- Mortgage interest of a business
- Rent of existing business locations, equipment
